BEER

ANCHORAGE RONDY BREW (6.00%)

Rondy Brew is a farmhouse ale brewed with Citra hops, fermented with saison yeast and aged in French oak wine barrels.

- 12/750 ml bottles

BARRACUDA D'HIVERN (8.10%)

A heady and foamy strong hazy blonde with aromas of citrus and yeasty spices, followed by rich flavors of caramel & lemon. More citrusy fruit in the finish rounds out this Catalan holiday homage to the classic Belgian big golden ales.

- 30L KeyKegs

BLAUGIES LA MONEUSE SPECIAL WINTER (8.00%)

This is a richer, 8% holiday version of La Moneuse, using a little caramelized malt and maybe more hops. The malt flavor of the Special is a little darker, roastier, and certainly sweeter, which must somehow distract attention a bit from the earthiness which is so notable in La Moneuse.

- 12/750 ml bottles
- 30L KeyKegs **SOLD OUT**

CERVESERA DEL MONTSENY HIVERNALE (7.00%)

A Catalan Christmas Ale from CCM that combines roasted barley flavor with the spice and sweetness of star anise. Challenger and Goldings hops give the beer a clean finish. Enjoy its complexity alone or with holiday desserts. Enjoy it between 42 and 50°.

- 24/330 ml bottles

DE RANKE PERE NOËL (7.00%)

This beer defies the universal custom of a stronger, spicier beer for the holiday season. Pere Noel, or Father Christmas, stands out with its fine balance of malt and hops, complex character, refreshing dryness, gorgeous cellar aroma, and its festive copper color.

- 24/330 ml bottles
- 6/750 ml bottles
- 30L Dolium kegs

DIEU DU CIEL! SOLSTICE D'HIVER (9.00%)

This noble winter beer is brown with flaming red highlights. Its taste is delicately sweet and liquor-like with a hint of burnt caramel coming from the malt and a prolonged boiling time. It is a very bitter beer with aromas of hops and alcohol, and flavors reminiscent of red fruit brought by the English yeast used to ferment it.

- 24/341 ml bottles
- 30L KeyKegs

DUNHAM LA RESURRECTION DE BRODERUS (6.90%)

Christmas saison with pomegranate, maple syrup, and brettanomyces.

- 12/750 ml bottles
- 30L Dolium kegs

FANTÔME DE NOËL (10.00%)

A very dark and entirely unique holiday seasonal beer, at a whopping 10% abv. Reportedly spiced with honey, caramel, coriander, black pepper, and other secret ingredients.

- 12/750 ml bottles **SOLD OUT**
- 30L Dolium kegs **SOLD OUT**

FANTÔME HIVER (8.00%)

Fantôme's winter offering, available December through March or so. Brewer Dany Prignon changes his recipes every year, so we can't so for sure what this year's beer will be like, but it is sure to please lovers of Dany's beers.

- 12/750 ml bottles

GÉANTS NOËL DES GÉANTS (8.50%)

Rich and warming, and just a bit spicy (thanks to the delicate addition of a special aromatic herb from the region of the brewery), this festive ale has everything you want in a Belgian beer – but not the cheap sugary flavor that the more commercial breweries use to reel in a less sophisticated crowd.

- 24/330 ml bottles

HAANDBRYGGERIET BESTEFAR (9.00%)

Bestefar is a well-balanced Belgian strong ale, full of malty and fruity flavors – a throwback to when all Norwegian farms used to brew their own beer. This ale is a perfect companion for a cold winter night, spent contemplatively in front of a fire or for those fireside moments that are a bit more “festive.”

- 12/500 ml bottles
- 20L KeyKegs

JOLLY PUMPKIN NOEL DE CALABAZA (9.00%)

This Belgian dark strong ale is aged in oak for six months. It is deep mahogany and malty, with layered hops, flavors of figs, raisins, sugar plums, cashews, and rum laden truffles.

- 12/750 ml bottles
- 1/6 bbl Pubkegs

LA CHOULETTE DE NOËL (7.00%)

The earthier, stronger, fuller-flavored version of the classic bière de garde. The New York Times (your Paper of Record) anointed this beer the ultimate bière de garde, and rightly so.

- 12/750 ml bottles **SOLD OUT**

A dark ale brewed specially for the Christmas season, with a rich, complex taste of caramel. This is a strong, dark, and rather sweet Christmas beer – just the way we think a Christmas beer should be.

- 20L KeyKegs

NØGNE Ø/STONE/JOLLY PUMPKIN SPECIAL HOLIDAY ALE (8.50%)

This collaboration ale by Jolly Pumpkin, Nøgne Ø, and Stone was brewed with ingredients indigenous to the area where each brewery is located. RIDGEWAY BAD ELF WINTER'S ALE (6.00%)

A little malt, a little hops, and lots of holiday trouble-making; this Elf is so bad, it's way good. Olde England meets the New World in this strong, warming golden ale. A generous amount of famous English malt is masterfully balanced with an astounding 45 ounces of fresh hops – including English Cascade – per barrel.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY CRIMINALLY BAD ELF (10.50%)

It turned out to be a case of mistaken identity – wrong place at the wrong time - but Claus was back on the street with the polite apologies of the authorities. All's well that ends well, and with that he hoisted a great flagon of his favorite Barleywine-style ale, silently contemplating the future and straining to remember why he got into this particular line of work in the first place.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY CURIOUS COLLECTION XMAS PACK

A collection of four different hand-crafted English holiday ales in an attractive carrying case. Selections may vary.

- Case of 5 packs, 4/500mL each

RIDGEWAY INSANELY BAD ELF (11.20%)

"My goodness," muttered Claus, recalling his visit to the Institute, "the restrictive outerwear, the padded room – even padded Christmas tree ornaments. Horrifying! Yet the little chap seems happier than he's ever been." Claus took a sip of a most warming red ale. "Perhaps sanity is overrated. . . Ho, Ho, Ho!"

- 24/330 ml bottles
- 30L Petainers

RIDGEWAY LUMP OF COAL HOLIDAY STOUT (8.00%)

Looking forward to a depressing holiday? Here is liquid consolation. This 8% bittersweet chocolate stout is the best you could hope for in these dark times. Actually, come to think of it, considering how bad you've been, this little coal-black gem is more than you deserve for Christmas this year.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY REINDEER DROPPINGS (6.00%)

Falling from the sky like little bombs of flavor come the Reindeer Droppings! Each one is sweet like California raisins, but bitter and pungent like a freshly peeled grapefruit, lip-smackingly tasty. . . then 'pow!' it's gone.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY REINDEER'S REVOLT (6.00%)

A golden-amber, hop-accented, English "winter warmer" brewed without spices. It's lighter on the palate than the other Ridgeway holiday beers.

- 12/500 ml bottles

RIDGEWAY SANTA'S BUTT HOLIDAY PORTER (6.00%)

They said it couldn't be done, but we did it: Santa's Butt, the beer, coming to a theater near you for the holidays. It's a splendid, satisfying winter porter at 6% — a souped-up version of the classic Entire Butt Porter that you've enjoyed in the past. Everyone wants a piece of Santa's Butt.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY SERIOUSLY BAD ELF (9.00%)

Another masterpiece from Peter Scholey at Ridgeway Brewing. Seriously Bad Elf is Peter's very English interpretation of a Belgian tripel, brewed to warming 9% alcohol, especially for his rapidly growing American following.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY VERY BAD ELF (7.50%)

As you might imagine, the Very Bad Elf causes a little bit more trouble than its Bad older brother. Stronger and darker, it also packs a bigger punch. Based on an original recipe from 1795, Very Bad Elf has nutty and sweet-roasted flavors attributable to its use of an ancient pale malt, uniquely recreated for this delightful ale.

- 12/500 ml bottles
- 30L Petainers

RIDGEWAY WARM WELCOME NUT BROWNE ALE (6.00%)

Peter got to work brewing the beer, which is of course a classic Brown ale with, er, more balls. It's 6% by volume, a little hoppier than your average brown, and with a little extra malty sweetness. A Nut Browned worthy of the holidays, for sure. Keep an eye out for a little earthy funkiness in the beer, the result of a special multi-strained yeast.

- 12/500 ml bottles
- 30L Petainers

SAINT SOMEWHERE BON HIVER (5.00%)

Rye saison with cinnamon

- 20L Dolium kegs

- 24/330 ml bottles

THIRIEZ BIÈRE DE NOËL (6.00%)

Daniel Thiriez, who lives and brews in a charming old farmhouse amidst the rolling fields of France's north country, is considered by many to be France's best brewer. His Bière de Noël is a beautiful red-gold wheat beer — with quite subtle all-spice and orange peel added. The result is a slightly tart, wonderfully effervescent, and refreshing festive brew — a perfect alternative to Champagne, for the true beer lover.

- 12/750 ml bottles
- 30L Dolium kegs **SOLD OUT**

TO ØL FROST BITE WINTER PALE ALE (6.00%)

This American pale ale brewed with orange peel and pine needles is so frosty that it needs to be stored cold and may bite if you touch it. This beer is all about the balance (not the bass). Imagine the flavors of pine needles and orange peel. Now imagine the same flavors only represented by Aurora, Citra, Tettnanger, Simcoe and Amarillo hops. This hoppy dry mix of spices and hops makes for the perfect winter American-style pale ale.

TO ØL JULE MÆLK SUPER STOUT (15.00%)

The Danish are very fond of Christmas beers. In fact, most of December goes with drinking Christmas beers while chewing on fat duck, pork roast, red cabbage and herrings left in vinegar for months. Jule Mælk is To Øl's strongest beer so far. It is loaded and loaded and loaded with lactose, until it couldn't get any heavier. You could say this is the Foie Gras force-feeding edition of a beer. But then again, it is Christmas after all...

TO ØL SUR YULE (5.40%)

Recreate those sour moments over the festive season. Everyone knows that point around Christmas when the mood turns sour, forced to eat the vegetables you don't like or when there is no cold meat left for sandwiches. We thought that the best way to re-create this was to create a Sour Winter Pale Ale, that uses a pounding of Vic Secret and then finishes it off with cherries, reminiscent of puddings at Christmas. At 5.4% abv, share your sour feelings with the whole family!

- 6/750 ml bottles
- 30L KeyKegs

TO ØL/BRUS BA YULE MÆLK (15.00%)

FREDERIKSDAL KIRSEBAERVIN LATE BOTTLED (15.00%)

'Late Bottled' is produced from Stevns sour cherries grown and harvested in our own orchards – primarily berries from Young trees in Skælstrupmark orchard. The berries are fermented for three days, after which the pressed juice undergoes further fermentation in stainless steel vats for 18 months before bottling. This produces a rounder, fuller wine that retains its original fruitness. 10% of the wine has matured in oak casks adding delicate nuances of chocolate, coffee and fine tannins.

- *6/500 ml bottles*

FREDERIKSDAL KIRSEBAERVIN NORDIC CHERRY LIKØR (17.00%)

Traditional cherry liqueur is simply made from juice, sugar and alcohol, in our reinvented version, the Stevnsbær cherries have been fermented naturally immediately following harvest, cherry alcohol only being added subsequently. This process gives the liqueur a more complex and intense taste, which is unlike that of traditional cherry liqueurs. The taste is sharp, with an intense cherry sweetness, a hint of chocolate and an irresistible citrus finish.

- *6/500 ml bottles*

FREDERIKSDAL KIRSEBAERVIN RESERVE (14.50%)

Our reserve wine is even more complex than our standard range. The wine is produced from the Stevnsbær sour cherries which are left to wild-ferment in open vats for a day after the harvest. The wild fermentation gives this wine a multitude of nuances. The wine is then aged in small French wooden barrels for up to 30 months. The wine's prolonged contact with the wood of the barrel imparts subtle coffee and chocolate notes to it. The wine is partly fortified with our own cherry distillate which brings in the subtle aromas of the wild cherry and wild raspberry to balance the flavor.

- *6/500 ml bottles*

FREDERIKSDAL KIRSEBAERVIN SPARKLING (11.00%)

Elegant pear wine is mixed with cherry wine resulting in this sparkling wine that is the perfect combination of lightness and fruitiness.

- *6/750 ml bottle*

FREDERIKSDAL KIRSEBAERVIN SUR LIE (14.00%)

The blend of mature and young vintages lends this wine a further degree of complexity: the younger vintages provide fresh and subtle fruity notes, while the mature ones provide more complex tones. This nuanced wine is a perfect companion to chocolate, berries, cakes and dessert dishes such as risalamande.

- *6/500 ml bottles*
- *15L One-Way jug*

FREDERIKSDAL KIRSEBAERVIN VIN AF KIRSEBÆR (14.00%)

Frederiksdal's wine really brings out the full flavor of the Stevnsbær cherries. Like vintage port, it has no exposure to sunlight. In order to achieve that incredibly fruity kick, the sour cherries are wild-fermented for 2-4 days as soon as the harvest is in. The wine is then left to develop in steel tanks before being bottled a year later. This is the best method for preserving the sour cherries' intense aroma and flavour.

- *6/500 ml bottles*
