

SANTA'S BUTT

RIDGEWAY BREWING • ENGLAND

style: Porter

abv: 6.0%

format: 30 liter key kegs / 500ml bottles

This is a splendid, satisfying 6.0% Winter Porter - a souped-up version of the classic Entire Butt Porter that you've enjoyed in the past. Everyone wants a piece of Santa's Butt.

This special porter is made for winter - rich and warming, the way they like it in the North Pole. It was inspired by a line from a well-loved children's story book: *"And Santa sat on his great butt, drinking a hearty brew."*

In case you find that amusing, we hasten to point out that in England 'butt' refers to a very large barrel used in brewing, that holds 108 imperial gallons.

Still snickering, eh? Get your mind out of the gutter or Santa will skip your house entirely this year.
