

GEISTERZUG GOSE

FREIGEIST BIERKULTUR • GERMANY

style: Gose

abv: 5.2%

format: 500 ml bottle, 30 Liter kegs

Freigeist brewers Peter Esser and Sebastian Sauer strive to break the chains of the modern mainstream brewing industry by reviving, and updating, Germany's unique, historical beer styles, many of which disappeared only a few decades ago. At a time when the global beer revolution seemed to have been passing Germany by, Freigeist's edgy, challenging-yet-balanced and drinkable interpretations have helped re-establish the country as a major force in brewing.

Based on a recipe dating back at least six hundred years, this is Freigeist's quirky version of the nearly-extinct traditional sour beer of Leipzig. "Geisterzug" ("Ghost Train") spruced gose is unusually complex, funky, and full-bodied, the perfect modern-day medieval German ale.
