Freigeist brewers Peter Esser and Sebastian Sauer strive to break the chains of the modern mainstream brewing industry by reviving, and updating, Germany's unique, historical beer styles, many of which disappeared only a few decades ago. At a time when the global beer revolution seemed to have been passing Germany by, Freigeist's edgy, challenging-yet-balanced and drinkable interpretations have helped re-establish the country as a major force in brewing.

Rich, hoppy, and complex, Ottekolong ("Eau de Cologne") Kölsch is a traditional version of the city's local specialty. Ironically, this peerless quaffing ale, scandalously unfiltered and extra-hopped, is too traditional to be accepted as a "legal" Kölsch. We think it's the best beer in town, ourselves.
