

HET NEST KLEVERTIEN

HOBBYBROUWERIJ HET NEST • BELGIUM

style: Belgian Strong Ale

abv: 10.0%

format: 30 Liter kegs / 330ml bottles

More than ten years ago, eight friends started a beer tasting club. They got together to discuss soccer, women and beer. Their interest in beer grew stronger every year – so strong, in fact, that in 2007 they decided to take up beer brewing courses and then opened Het Nest.. These friends were all born in the city of Turnhout in northern Belgium, a city known for its playing cards. And in playing cards Het Nest has found its inspiration.

Think of cold winter's evening and falling snow... Ten of Clubs (Klevertien) with its coffee and chocolate taste will definitely warm you up. With a 10% abv this is Het Nest's strongest beer by far. The "10" in the name not only refers to the alcohol percentage but also to the 10th anniversary of the beer tasting club.
