style: Winter/Holiday Beer

abv: 8.5%

format: 30 Liter kegs / 500ml bottles

6 08782 66842 7

500 ml bottle UPC

The name Nøgne Ø means "naked island", a poetic term used by Henrik Ibsen to describe any of the countless stark, barren outcroppings that are visible in the rough sea off Norway's southern coast. We think the name also gives a symbolic picture of what the two Norwegian home brewers did early 2002, when they decided to found a new brewery. Their urge to share their passion of good beer was unbearable. Their vision was to bring diversity and innovation into commercial brewing of real ale. The result – Nøgne Ø.

A dark ale brewed specially for the Christmas season, with a rich, complex taste of caramel. This is a strong, dark and rather sweet Christmas Beer – just the way we think a Christmas beer should be.
