

mint stout

(bise noire)
menthe

7.2% abv

available in 30L KeyKegs

The Bise Noir is back, but with a recipe ensuring a better match with the rest of Trois Dames' range. A black ale with the solid backing of a special mix of malts, designed to give it the fullness, roundness, and presence needed for a winter beer, yet steering clear of being sickly sweet. Fresh mint is then added in the lagering tank. There it develops a refreshing flavor which complements the roasted barley for more complexity and spices.
