OKTOBERFEST LAGER

Brewed with a traditional Munich lager yeast, Dauntless is a copper colored malt forward salute to the Oktoberfest celebration taking place in Germany every year since 1810. Tettnang and Hallertauer hops complement the malt flavors by adding subtle, spicy hop notes. Malty, smooth, and eminently drinkable.

Dauntless dwells beneath the Mackinac Bridge, in the fall, gnawing on passing driftwood and autumn leaves. Oftentimes stubborn, Dauntless has never ventured north of the bridge, and has always bravely and relentlessly protected the Lower Peninsula as his home. He avoids sunlight, and he groans as he guards the northern passage to the Mitten.

Drawing on 40 years of combined brewing experience, brewers Ron Jeffries and John Walsh collaborate and perfect the North Peak recipes.
