Baird Brewing is a family company born of a deep passion for beer and a great reverence for brewing history, tradition and culture.

The basic formula for Baird's entire lineup of hand-crafted beer is the same:

**Balance + Complexity = Character.**

They are dedicated to the crafting of beer that bursts with flavor and character. They will not brew vapid beer and are not afraid of not appealing to everyone. Baird brew to our own exacting standards and it is their daily mission and struggle to never disappoint themselves.

Angry Boy is a brown ale that doesn't quite fit in; it is bigger, bolder, hoppier and more complex than most. It has, if you will, an angry edge. It is somewhat sweet and very full-bodied in the mouth but piquantly bitter and warming in the finish. If you are feeling angst, this is your brew.
