

HOPPENBIER

6.8% alc/vol

Jopen Hoppenbier (hops beer) is the only triple-grain double-hopped beer in the world. A crisp beer with a malty foretaste and a lingering, bitter finish.

This golden beer is a precise reproduction of a Haarlem beer and is brewed according to the brewer's statute (recipe regulated by the council) of 1501. An absolute classic.

Available in 24/330 ml bottles & 30 liter kegs
